		31 Dec	No Meetings

Full Board Meetings will occur in the County Board Meeting Room, 2nd floor, Historic Courthouse Building, Caledonia, MN. Agenda, board packets, and minutes are stored in the Administrator's office and shared on the Houston County website, as are video recordings, when available.

The County Board regularly conducts Workgroup sessions to receive information from staff or outside agencies regarding current or upcoming issues or projects in advance of requests to take formal action, if needed. The County Board does not take formal action during workgroup meetings. The County Board will normally hold workgroup sessions at 09:30 in Rm. 219 of the Historic Courthouse Building, Caledonia, MN, but may move to other locations and times, as appropriate. If changed, the Administrator will announce the changed time and location during the preceding full board meeting and reflect the change in the published agenda for said meeting. These meetings are not video recorded, but agenda and minutes will be available via the county website.
