Agency Report:
Gary Larson, NRCS District Conservationist Report
- Extended a welcome to the new SWCD Board Supervisors and stated that he and Klessig look forward to working with the new and existing board supervisors.
- Reported to the SWCD Board that EQIP 2013 applications continue to be accepted.
- Reported to the SWCD Board that an EQIP training will be held next week.
- Reported to the SWCD Board that they have been working with forestry related initiatives through EQIP.
- Reported to the SWCD Board that a news release went out regarding resource funding for EQIP.

Ron Meiners, SWCD District Report
- Reviewed with the SWCD Board Brian Watson’s December Activity Report and Invoice. He also stated that the contract has expired. Watson did express a willingness to assist in the future at the same rate if his service would be needed.

Old Business
Meiners reported that Dan Shaw, BWSR, has contacted the district to see if there would be interest in a second contract for the Hokah Wetland Bank project. Shaw has indicated they were very satisfied with the results of the first contract with district. Through discussion with the board interest in a second contract was evident.

Messner signified that the 2011 Financial Statement given to them was their copy and continued by reporting that the state has approved the draft of our 2011 Financial Statement and the final has been sent to the state.

New Business
Supervisor Handbooks were distributed to each supervisor. Meiners and Messner gave a general overview of the Supervisor Handbooks.

Motion by Stenhoff, seconded by Feldmeier, approving the 2013 IRS Mileage Reimbursement Rate of $0.565. Voting affirmative: Feldmeier, Lapham, Meyer, Stenhoff  Opposed: None  Motion carried.

Motion by Feldmeier, seconded by Lapham, approving the Supervisor per diem increase from $65 to $75. Discussion was held. Voting affirmative: Feldmeier, Lapham, Meyer, Stenhoff  Opposed: None  Motion carried.

An Equal Opportunity Employer
Meiners indicated he had performed employee reviews and would like to meet with the Personnel Committee to review and approve the employee reviews. Meeting was set to take place following today’s board meeting.

Meiners shared that there are employees that would like to meet with the Personnel Committee regarding wages. Meeting was set to take place following the February 13, 2013 board meeting.

**Motion** by Stenhoff, seconded by Meyer, approving yearly dues for the following

- 2012 - 2013 MASWCD covering November 1, 2012 – October 31, 2013 fiscal year in the amount of $2,009.50.
- 2013 Envirothon Donation of $175.00.
- SE SWCD Technical Support JPB Annual Membership Fee in the amount of $500.00.

Voting affirmative: Feldmeier, Lapham, Meyer, Stenhoff Opposed: None Motion carried.

Meiners introduced the Root River Watershed Hayable Buffer Program being offered through The Nature Conservancy. He shared details of the program. The board was interested in moving into a contract for this program. **Motion** by Stenhoff, seconded by Feldmeier, authorizing District Manager Meiners to sign the contract for this program when it is received.

Voting affirmative: Feldmeier, Lapham, Meyer, Stenhoff Opposed: None Motion carried.

Meiners shared with the board that he has been in contact with Val Green of DNR Forestry. During their discussion it was brought to light that the DNR Forestry would be getting out of the tree seedling program offered through the State Nursery. Meiners shared that the district would be interested in picking up the DNR’s clients and would like to restructure the district’s tree program for 2014. Pre-orders from landowners were discussed and it was felt that it would reduce the financial risk of having funds spent on trees that do not get sold. The board felt that this would be a good opportunity for the District.

Meiners recommended that the board act on designating a specific amount of funds from the budget for the operation and maintenance of both the Bear Creek Watershed structures and the Winnebago Watershed structures. He recommended that individual designated reserve funds be opened for both. **Motion** by Feldmeier, seconded by Meyer, approving the designation of $2,000 being placed in a designated reserve fund specifically for the operation and maintenance of the Bear Creek Watershed structures and an additional $2,000 being placed in a separate designated reserve fund specifically for the operation and maintenance of the Winnebago Watershed structures.

Voting affirmative: Feldmeier, Lapham, Meyer, Stenhoff Opposed: None Motion carried.

Meiners introduced the idea of possibly upgrading one of the district trucks to a new model. Discussion was held. The board requested that Meiners research the options and bring back recommendation to the board for consideration.

Chair Becker appointed Stenhoff to represent the Root River SWCD Board on the Bear Creek Watershed Committee.

Those present took part in the Pledge of Allegiance.

**Minutes:** Chair Becker called for any additions or corrections to the minutes from the January 9, 2013 board meeting. Hearing none minutes were approved as presented.

Becker gave a recap of the Frac Sand meeting he attended in Winona on February 1, 2013. He stated our area has a 35 year supply of frac sand. The state of Wisconsin has a 100 year supply of frac sand. He also reported that reclamation plans were discussed.

**Employee Time Records:** Motion by Stenhoff, seconded Meyer, to approve the Employee Time Records.  
Voting affirmative: Feldmeier, Lapham, Meyer, Stenhoff  
Opposed: None  
Motion carried.

**Treasurer’s Monthly Report:** Stenhoff recommended that the December 2012 and January 2013 reports be placed on file for audit.  
Voting affirmative: Feldmeier, Lapham, Meyer, Stenhoff  
Opposed: None  
Motion carried.

**Agency Report:**
Gary Larson, NRCS District Conservationist Report – No report.

Ron Meiners, SWCD District Report
- Reported to the SWCD Board at a recent Bee/Duck Creek meeting cost sharing opportunities were the main focus at this meeting.
- Reported to the SWCD Board that he along with Messner have been working on updates for the 5-Year Comprehensive Water Plan Update.
- Reported to the SWCD Board that the Crooked Creek Watershed plan will be presented at an input meeting being held Tuesday, February 19, 2013.
- Reported to the SWCD Board that we are on track with our current budget. We will be partnering with Crooked Creek Watershed Committee in the purchase of a computer and monitor at the rate of 50% of the cost. Stemper stated the watershed committee would be voting on the purchase of a printer also. The District is willing to contribute funds at 50% of the cost for a printer.
- Reported to the SWCD Board that he and Feldmeier attended a JPB meeting. Feldmeier reported that the JPB budget was solid till 2014. Sinkhole concerns in Winona, Fillmore and the far west portion of Houston County

An Equal Opportunity Employer
were discussed. JPB will be applying for funding through a CWL grant that will also include fund from The Nature Conservancy.

- Reported to the SWCD Board that at a recent frac sand meeting attorneys recommended to the ordinance work group that the one year moratorium should be extended. This was due to the complexity of covering all areas for an ordinance on frac sand mining.

- Reported to the SWCD Board that we have been working with The Nature Conservancy on streambank revetment through the use of cedar trees. The MCC crew has been contacted for possible installation assistance of the cedar trees. MCC will be charging for any service they would be performing. Meiners indicated he would be working with Rich Biske of the Conservancy regarding funding for the tree placement project.

- Reported to the SWCD Board that the Area 7 Envirothon will be held May 8th in Faribault, MN.

- Meiners requested that the April board meeting be scheduled for the first Wednesday in April instead of the second Wednesday. Motion by Stenhoff, seconded by Feldmeier, approving the change of the board meeting date in April to Wednesday, April 3, 2013.

Old Business
Meiners reported his findings on the current blue book value of the District’s 2008 Chevy Extended Cab truck. He also reported that in order to work with state contracted vendors an authorization would need to be approved and submitted to the Cooperative Purchasing Venture (CPV) in order to view state vendor costs for new pickups. Motion by Meyer, seconded by Feldmeier, approving authorization for the district manager to sign on behalf of the Root River SWCD to view pricing.

Voting affirmative: Feldmeier, Lapham, Meyer, Stenhoff
Opposed: None
Motion carried.

New Business
Motion by Feldmeier, seconded by Stenhoff, approving all SWCD Board of Supervisors and all Root River SWCD staff to have signature authority of the district’s current MasterCard.

Voting affirmative: Feldmeier, Lapham, Meyer, Stenhoff
Opposed: None
Motion carried.

Motion by Meyer, seconded by Lapham, approving the payment of yearly dues for the SE MASWCD in the amount of $500 and the Area VII SE MACDE Employee Dues at $10/employee and ignoring/tabling the 2013 NACD membership dues.

Voting affirmative: Feldmeier, Lapham, Meyer, Stenhoff
Opposed: None
Motion carried.

Meiners reported that NRCS has approached him in regards to producing an agency newsletter. He stated staff along with DNR Forestry, NRCS would be providing articles along with funding for the newsletter. Meiners also stated that the Houston County Water Plan Committee would also be asked to participate with both articles and financial support to help offset the costs. It was the general feeling of the board that the SWCD should participate in this newsletter and financially help provide funding up to $400.00.

State Cost Share Program
Motion by Lapham, seconded by Stenhoff, approving the return of state cost-share base grant funds FY07 Base Grant/closed out FY08 Base Grant = $313.40 overpayment on Vickerman contract. Initially the project was cost shared at a rate of 75% then amended to 100%. BWSR is only allowing 75%. Funds will need to be coded from Miscellaneous Expenses in our budget.

Voting affirmative: Feldmeier, Lapham, Meyer, Stenhoff
Opposed: None
Motion carried.

Feedlot - No report.

Bear Creek – No report.

It was the consensus of the board to change the Bear Creek heading on the monthly agendas to Watershed Updates.

MASWCD
The MASWCD Legislative Briefing and SWCD Day on the Hill are scheduled for February 25th & 26th. At this time no staff or supervisors will be attending.

Water Plan – Meiners reported that the Water Plan meeting will be held Thursday, February 14th and they will be working on 5-Year Plan Update.
February 13, 2013 Minutes

Staff Reports
Messner reported she has been working with Meiners on the 5 Year Water Plan Update and the SWCD’s year-end financial reporting. Messner also gave a tree sales update.

Stemper reported that he has been working on preparing the Crooked Creek Watershed Plan draft for a review meeting on Tuesday, February 19, 2013. It was suggested that an SWCD board supervisor attend this meeting. Lapham stated that he would attend.

MINUTES OF THE ROOT RIVER SWCD
March 13, 2013

The Root River Soil and Water Conservation District Board of Supervisors met on March 13, 2013 at the Ag Service Center in Caledonia, Minnesota for its regular meeting. Chair Becker called the meeting to order at 8:31 a.m.

Members Present:
Tony Becker
Matt Feldmeier
Loren Lapham
Doug Meyer
Roger Stenhoff

Members Absent:

Others:
Janice Messner, Rich Stemer, Dave Walter and Ron Meiners – SWCD Staff; Gary Larson and Lance Klessig – NRCS Staff.

Those present took part in the Pledge of Allegiance.

Minutes: Chair Becker called for any additions or corrections to the minutes from the February 13, 2013 board meeting. Hearing none minutes were approved as presented.

Employee Time Records: Motion by Meyer, seconded Stenhoff, to approve the Employee Time Records.
Voting affirmative: Feldmeier, Lapham, Meyer, Stenhoff
Opposed: None
Motion carried.

Treasurer’s Monthly Report: Stenhoff recommended that the February 2013 report be placed on file for audit.
Voting affirmative: Feldmeier, Lapham, Meyer, Stenhoff
Opposed: None
Motion carried.

Agency Report:
Gary Larson, NRCS District Conservationist Report
- Reported to the SWCD Board that Kelsey Bulman was awarded the National Earth Team Volunteer of the Year. She worked in the Caledonia field office this past summer, 2012. A small reception was held in the office this past week for her.
- Reported to the SWCD Board that the conservation newsletter had been completed and was to be mailed on Monday, March 11, 2013. Larson gave a brief overview of the articles included in the newsletter.
- Shared with the SWCD Board the agenda for the upcoming Bee/Duck Creek landowner meeting on Thursday, March 14, 2013.
- Reviewed the Memorandum of Understand between the Root River SWCD and NRCS with the SWCD Board.
- Reported to the SWCD that participation in the EQIP program is down. March 15th is the deadline for the current sign-up. One additional sign-up will be in April that will have scoring and ranking within the next two months.

Ron Meiners, SWCD District Report
- Reviewed with the SWCD Board the updated cost share contract for landowners on the Hayable Buffer Program. Walter and Stemper will be participating in a prioritization meeting on March 18, 2013. A question has been raised on applications that are expiring CRP.
March 13, 2013 Minutes

- Reported to the SWCD Board on The Nature Conservancy Revetment Program. Recently met with MCC and viewed sites and discussed workload. Cost would be $9,000.00 for the MCC crew to do those projects. There is a Clean Water Grant available that would cover MCC’s charge. Work on project would occur in July.
- Informed the SWCD Board that landowner contribution including their time can be used as in-kind match for the SWCD on the WCA and Feedlot programs (BWSR Block Grant). The landowner will need to sign off on the form that was created for this purpose.
- Reported to the SWCD Board that the Wabasha District Manager would be completing a grant application for funding on a sinkhole project. Area district managers will meet in August to give input on this grant application.
- Reported to the SWCD Board that a moratorium extension has been granted till 2015 by the Senate and 2014 by the county. Currently, there are no mines operating in Houston County. Committee continues to work on the commercial and industrial ordinance for frac sand mining in Houston County.

Old Business
Messner handed out an informational page for the Supervisor Handbooks on Government Officials for the state of MN.

Meiners shared the conservation newsletter was to be mailed on Monday, March 11th. Cost was reviewed. Agency commitments are: NRCS $400 (this is likely to be lower), SWCD up to $400, Water Plan up to $400, DNR Forestry $150, U of MN Extension Services $300 and Quail Forever $250.

Meiners reported that the average Kelly Bluebook price for the District’s 2008 Chevy Extended Cab truck was $18,500. A new truck would be approximately $24,000 – $25,000. It was mutually decided to advertise the sale of this truck through a bid process. Bids would be accepted till April 19, 2013 with a minimum selling price of $17,500. Stickers and tool boxes will be removed.

New Business
Meiners and Larson informed the board that a SharePoint site between NRCS and BWSR was breached/unprotected by BWSR leaving personal applicant information vulnerable including social security numbers and direct deposit information. A service, LifeLock, is being offered to those who could potentially be affected. The service is offered free of charge for one year. Those affected were participants in the RIM - Wetlands Reserve Program (WRP).

Meiners informed the board the Hokah Wetland Bank contract will be forthcoming but has not been received at this point.

Meiners reviewed the 2012 Annual Report and the 2013 Annual Plan of Work. Motion by Lapham, seconded by Feldmeier, approving the report and plan of work.
Voting affirmative: Feldmeier, Lapham, Meyer, Stenhoff
Opposed: None
Motion carried.

Meiners shared that the 2012 Financial Statements were still being prepared. An extension from Steve Lawler has been granted. Motion by Meyer, seconded by Lapham, approving the extension and allowing the chair to sign any necessary documents needed to file the financial statements.
Voting affirmative: Feldmeier, Lapham, Meyer, Stenhoff
Opposed: None
Motion carried.

Meiners stated that Caledonia High School would be participating in the area Envirothon with one team.

State Cost Share Program – No report.

Feedlot – Walter reported that he is currently working on three or four violations.

Watershed Updates
Bee/Duck Creek – Landowner meeting is scheduled for March 14th, Spring Grove Fest Building at 9:30 am. A free nitrate testing will be offered. There are 80 plus landowners in this watershed.

Crooked Creek – Stemper reported on February 19th committee and other local agencies reviewed the plan update. Agencies strongly encourage a more defined implementation schedule. The watershed committee will be meeting on Friday, March 15, 2013 to address the recommendation of the agencies.
MASWCD
The MASWCD Legislative Briefing and SWCD Day on the Hill were held February 25th & 26th. No staff or supervisors attended. Funding for SWCD staff was a voiced concern.

Motion carried.

Treasurer’s Monthly Report: No March 2013 report to be place on file for audit at this time.

Agency Report:
Gary Larson, NRCS District Conservationist Report
- Reported to the SWCD Board that Machele Bollman will be volunteering in the Caledonia field office as an Earth Team Volunteer. She will be starting May 1, 2013 and will be putting in 128 – 130 hours.
- He and Kasey Taylor shared information with the SWCD Board about taking a slightly different approach to conservation and be more proactive by promoting soil health. Larson shared a focus group including himself; Jay Mahr, IA State Soil Conservationist; Don Baloun, MN State Soil Conservationist; LuAnn Rohlings, IA; Kasey Taylor, MN met on Thursday, March 28, 2013 regarding the Bee, Duck Creek and Waterloo watershed area. Discussion included having separate EQIP funding for practices in that particular area, hiring an individual to make one-on-one contacts with each landowner/operator to review/identify conservation needs as well as promote cover crop. Also, funds through Environmental Defense fund have become available and a Professional Services Agreement has been brought forth offering funding to the SWCD for tasks and deliverables within this watershed area. Motion by Stenhoff, seconded by Meyer, allowing the SWCD to enter into the Environmental Defense Funding Professional Services Agreement once editing of deliverables are finalized. Also, authorizing Chair Becker to sign the contract.
Voting affirmative: Feldmeier, Lapham, Meyer, Stenhoff
Opposed: None
Motion carried.
Ron Meiners, SWCD District Report

- Reported to the SWCD Board that we have been seeing great results from the conservation newsletter. Increased tree sales, more inquiries for water testing kits and calls inquiring about different programs.
- Updated the SWCD Board that a computer has been ordered for Rich Stemper and the expense will be split between the SWCD and Crooked Creek Watershed. Also, Andy Milde, Houston County IT, stated they have a spare laser printer that we could use. Toner was needed for it and the cost will again be split with Crooked Creek Watershed.
- Informed the SWCD Board that he and Rick Frank had recently attended WCA training in Rochester that was hosted through BWSR. Reviewed recent changes and updated forms that are now available.
- Reported to the SWCD Board that he has met with the employees and reviewed the outcome of each individual’s first quarter goals and introduced each individual’s second quarter goals.
- Informed the SWCD Board that there are various meetings being hosted within the Root River Watershed. Subject matter is exploring the vision for the watershed and protecting the water in the watershed. Feldmeier stated that he was going to be attending one of the meetings in Rushford, MN on April 4th.
- Reported to the SWCD Board that he had been to a La Crescent township board meeting regarding a grade stabilization pond on Ready Bus property. Ready wants to fill in the pond and water concerns were presented by neighbors if this action is taken and if there are other conservation measures that can be taken to prevent any future water issues if Ready moves forward. Technical recommendations will be offered, no design work.

Old Business
Meiners reported that ads requesting bids on the District’s 2008 Chevy Extended Cab truck have been placed in area newspapers. At this time we have not received any calls on the ads. Meiners is also requesting Ellingson Motors put together a trade proposal. Meiners voiced concern about future budgets and program funding and how that might change the direction to take at this time.

Meiners shared that Stemper’s Clean Water Legacy Grant application for funding of the Conservation Corp for the Root River Watershed Revetment project had tentatively been approved. The contract will be forthcoming. The Conservation Corp’s time on the project will be funded through the Clean Water Legacy Grant and The Nature Conservancy.

New Business
Meiners indicated that he had recently meet with Rich Biske of The Nature Conservancy and discussed a conservation Partners Grant proposal for 2014 – 2015 targeting buffer, cover crop and revetment projects being installed. The district would be applying for Clean Water Legacy Grant funding. Biske will work with the district in putting together a grant proposal. Biske has suggested to Meiners when applying for Clean Water Grant funding that the district should consider submitting multiple applications instead of one, breaking out the different project areas. Meiners also stated he may suggest having Brian Watson help with the grant application if budget funds are available.

Meiners shared that Walter and Stemper had participated in the first prioritization ranking of the Root River Hayable Buffer applications. Three of the Root River SWCD applications were chosen which will use up all the funding. Biske will be seeking additional funding to try to fund the remaining applications. Walter and Stemper shared about the prioritizing process that was used.

Motion by Meyer, seconded by Stenhoff, for the approval of Chair Becker to approve contracts once additional funding results are made known from Biske.
Voting affirmative: Feldmeier, Lapham, Meyer, Stenhoff
Opposed: None
Motion carried.

Motion by Lapham, seconded by Meyer, approving the new Hokah Wetland Bank contract and authorizing Chair Becker to sign the contract when it is received.
Voting affirmative: Feldmeier, Lapham, Meyer, Stenhoff
Opposed: None
Motion carried.

State Cost Share Program – No report.
Feedlot – Walter reported he has recently received two new complaints and is working on addressing those concerns through further investigation. Manure runoff concerns on the Ron Holte operation was one of the complaints.

Watershed Updates
Bee/Duck Creek – Landowner meeting was held March 14th, Spring Grove Fest Building. Peter Hartman, NRCS, gave a presentation on the importance of soil health. Upland treatment testimonies were given. A free nitrate testing was offered. Information on the importance of cover crop was shared. Stenhoff shared that $3,000,000 to $4,000,000 in funding was put on the ground in the Bee/Duck Creek area as a result of flooding from 2007 – 2010.

Crooked Creek – Stemper reported they are currently working on implementation schedule changes.

MASWCD
Walter and Messner shared information from the SE MACDE meeting they attended on Tuesday, March 19, 2013 at the Wabasha National Eagle Center, Wabasha, MN.

Meiners gave a brief Envirothon update.

Feldmeier voiced the importance of the SWCD being represented in the future at the MASWCD Legislative Briefing and SWCD Day on the Hill. He had attended this year on behalf of another organization and expressed the importance of being involved and known at the state political level with conservation concerns.

Meiners shared his intentions of hosting a Commissioner’s Tour during construction season. He thought perhaps directly following one of their meetings.

Water Plan – Meiners reported that they continue to work on the 5 Year Update. After meeting with Rich Biske of The Nature Conservancy and the continued proposals and funding that has been received through their organization for conservation in the Root River Watershed it was mutually agreed that specific mention/referral to this work is included in the implementation schedule.

Staff Reports
Messner and Stemper gave a tree sales report indicating how many trees have been sold and how many remain in addition to potential tree delivery dates from the state and private nurseries.

Committee Reports
FINANCIAL COMMITTEE: Meyer & Lapham – No report.

PERSONNEL COMMITTEE: Feldmeier & Stenhoff – Feldmeier indicated that the committee had met with Stemper regarding a workload concern. Feldmeier and Stenhoff recommended to the board that job descriptions for Stemper and Walter be altered shifting the WCA program to Walter and watershed workloads more towards Stemper. Motion by Meyer, seconded by Feldmeier, approving the recommended revisions for Walter and Stemper’s job descriptions. Voting affirmative: Feldmeier, Lapham, Meyer, Stenhoff Opposed: None Motion carried.

RC & D: Stenhoff – Former supervisor Glenn Kinneberg reported he attended the March 25th meeting. Discussion items from that meeting included goals for the year, being involved with the MN Water Certification program which would be on a volunteer bases. Also, training for new members will be held in May.

Meiners stated that Dean Frank of the Camp Winnebago board had contacted him regarding pond sediment removal. Meiners shared this information with an RC & D representative. The representative felt it would be a good future project when funds are available.

JOINT POWERS FINANCE COMMITTEE: Feldmeier – No report.

MINUTES OF THE ROOT RIVER SWCD
May 8, 2013

The Root River Soil and Water Conservation District Board of Supervisors met on May 8, 2013 at the Ag Service Center in Caledonia, Minnesota for its regular meeting. Chair Becker called the meeting to order at 8:33 a.m.

Members Present:
Tony Becker
Matt Feldmeier
Loren Lapham
Doug Meyer
Roger Stenhoff

Members Absent:

Others:
Janice Messner, Ron Meiners – SWCD Staff; Gary Larson – NRCS Staff; Jason Rochester – JPB; Glenn Kinneberg and Kerry Ruffridge for the latter portion of the meeting.

Those present took part in the Pledge of Allegiance.

Minutes: Chair Becker called for any additions or corrections to the minutes from the April 3, 2013 board meeting. Hearing none minutes were approved as presented.

Employee Time Records & Supervisor Per Diem: Motion by Meyer seconded Feldmeier, to approve the Employee Time Records.
Voting affirmative: Feldmeier, Lapham, Meyer, Stenhoff
Opposed: None
Motion carried.

Treasurer’s Monthly Report: Meyer recommended that the March and April 2013 reports be placed on file for audit at this time.

Agency Reports:
Gary Larson, NRCS District Conservationist Report
- Announced to the SWCD Board that CRP sign up #45 will be conducted May 20 – June 4, 2013 for general and continuous CRP. He also shared a fact sheet for the sign-up.
- Shared with the SWCD Board a fact sheet on Healthy Soil and the four basic principles.
- Reported to the SWCD Board through the EQIP initiative targeting the Bee/Duck Creek area $150,000 of requests were applied for targeting Cover Crop/Soil Health. The approved applicants that enter into contract will be aerial seeding in August 2013 and will continue to do so for a five year period of time.
- Larson shared with the SWCD Board the EQIP program has approximately $300,000.

New Business
Rochester reported that during a recent inspection on the Winnebago Watershed projects that maintenance is needed.
- At the DNR site erosion is occurring around the pipe. Rochester roughly estimated a repair cost of $500 - $700. Motion by Meyer, seconded by Lapham, approving the needed repair work using the funds designated for Winnebago Watershed Repair and Maintenance.
Voting affirmative: Feldmeier, Lapham, Meyer, Stenhoff
Opposed: None
Motion carried.
- At Staggemeyer Site 1 debris has collected in the pond area and will need to be removed. Thoughts of installing a trash rack or another alternative will be pursued and recommendations brought to the board in the near future.

An Equal Opportunity Employer
Rochester also reported for Staggemeyer Site 2 he is currently waiting for David Studinski and Cory Hanson to view the site before proceeding with soil borings.

**Continued Agency Reports:**

**Gary Larson, NRCS District Conservationist Report**
- Reported to the SWCD Board that the flood control structure that was installed for Sam Thising has blown out around the pipe area. This project was funded with both EQIP dollars and State Flood Relief Cost-Share dollars. Thising has applied for EQIP funding to repair the structure. It is hoped that it could be funded through MRBI Rush/Pine funds. It was suggested to see what portion EQIP would cover for the repair and to obtain a cost estimate for the project and approach BWSR to cover the remaining portion of the repair. A BWSR engineer designed and overseen the installation of this project.

**Ron Meiners, SWCD District Report**
- Inquired if the SWCD Board would like to see on the monthly treasurer’s report the percentage of accumulated expense vs. the budgeted amount projected. They felt this would be helpful and would also like to see a year-to-date amount spent per line item.
- Reported to the SWCD Board that Dave Walter attended the La Crescent township board meeting regarding a grade stabilization pond on Ready Bus property. Ready wants to fill in the pond and water concerns from neighbors was expressed. Township board tabled the application request.
- Reported to the SWCD Board that Dave Walter was attending/helping with Envirothon today in Faribault, MN.
- Reported to the SWCD Board that he made a WCA site visit on the John Beckman property regarding water drainage on to a neighbor’s crop field.

Feldmeier shared that Dave Walter had indicated to him that he was interested in taking the WCA training now instead of waiting till next year. Discussion was held.

**Old Business**

Meiners circulated the bid proposals Ellingson Motors put together. Meiners recommended that we wait on purchasing a truck. He also suggested that the board set aside funds to purchase a vehicle and add to that fund on a yearly base. **Motion by Lapham**, seconded by Meyer, to set aside $8,000 in a Capitol Asset Vehicle account for future use of purchasing a vehicle.

Voting affirmative: Feldmeier, Lapham, Meyer, Stenhoff
Opposed: None
Motion carried.

There was also discussion about looking at a hatchback or other type of vehicle other than a truck to replace one of the trucks in the future. Fuel costs were expressed.

Meiners shared that the EDF contract application was denied. Larson stated that all the funding went to the Watson Creek Watershed.

Meiners stated that we have entered into contract with The Nature Conservancy on the Root River Hayable Buffer program. We are currently waiting for the funds. He also shared more people have visited the office and are interested in the program if more funds would become available. He suggested that proposing a resolution to support the program might be something the board may want to consider.

Meiners informed the Board that the Clean Water Legacy Grant funding the CCM for the stream bank revetment project was approved and is in place.

Feldmeier shared information from the Root River Watershed meeting he attended in Rushford, MN.

Meiners indicated that we are waiting to receive the contract for the Hokah Wetland Bank project.

Meiners shared that he had submitted a RIM application for the Stouvenel site which is adjacent to both state and federal land within the Crooked Creek watershed. The application was denied at this point due to a lack of funds but is very interested in the site if funds would become available.
**Additional New Business**
Chair Becker initiated a conversation about long range personnel planning. Discussion continued. Personnel committee will be exploring this further.

**Motion** by Feldmeier, seconded by Stenhoff approving the updated job descriptions for the District Manager position as well as each individual technician position.
Voting affirmative: Feldmeier, Lapham, Meyer, Stenhoff
Opposed: None
Motion carried.

Chair Becker stated that Resolutions will need to be approved at the next board meeting. Meiners stated if any of the supervisors had a resolution in mind to contact him and he would help with composing it.

Stenhoff addressed the topic of conservation efforts between landowner and renters. Discussion was held. It was decided that a news article on this subject be written and submitted to the local papers for publication. Also the possibility of sponsoring an educational meeting on this topic was also a consideration.

**Motion** to table the National Association of Conservation Districts (NACD) 2013 Membership Dues was made by Lapham and seconded by Stenhoff.
Voting affirmative: Feldmeier, Lapham, Meyer, Stenhoff
Opposed: None
Motion carried.

**Motion** by Stenhoff, seconded by Lapham to approve the Hiawatha Valley RC & D Council dues in the amount of $300.
Voting affirmative: Feldmeier, Lapham, Meyer, Stenhoff

An Equal Opportunity Employer
June 12, 2013 Minutes

Ron Meiners, SWCD District Report
- Circulated a letter received regarding septic system concerns. Shared with SWCD Board that septic system rules have changed since 2009. Most septic systems are now going to mound style systems. This will increase the need for licensed inspectors.

Old Business
Walter shared an update on the Hokah Wetland Bank project. Tree planting needs to be done as well as spraying. These items have been delayed due to continuous rain. Trees were scheduled to be planted mechanically but may now need to go in manually. Contractor raised question of additional funds being available to cover the cost of manual labor. Walter will work with Dan Shaw, BWSR, regarding any increases in cost and time frame deadlines.

Meiners circulated information received from the Fillmore/Root River Watershed meetings. Discussion followed. It was the general consensus to set a meeting with various landowners/operators to hear concerns and to work towards long term conservation and getting back to the basics.

Meiners stated that the rain has delayed the Hayable Buffer contracts from being seeded.

Biske, The Nature Conservancy, will be working with Meiners in preparing a final grant proposal for the Conservation Partners Grant. Deadline for submittal is June 21, 2013.

Meiners shared the results of the State Envirothon. Goodhue county teams placed 10th and 12th. Some discussion followed on concerns of lack of team participation at the Area level.

Messner worked with Houston County Treasurer, Trehus, to set up a separate savings account for a vehicle fund. Meiners shared that there has been minor damage to the ’08 Chevy Silverado. Claim is being filed with the insurance company and two repair estimates are being obtained.

Meiners shared that damage to the Winnebago Watershed DNR structure site was found during a recent inspection. Discussion followed on how to proceed with maintenance. Motion by Meyer, seconded by Lapham, approving the original contractor be used for the needed maintenance.

Voting affirmative: Feldmeier, Lapham, Meyer, Stenhoff
Opposed: None
Motion carried.

New Business
Ideas for proposed resolutions for the Area VII Resolution meeting were shared. It was unanimously agreed upon to proceed with a resolution regarding hayable CRP buffers.

Year-end audit price quotes were solicited. One company responded. Motion by Meyer, seconded by Feldmeier, accepting the bid and moving forward with Peterson Company Ltd. in the amount of $2,500.

Voting affirmative: Feldmeier, Lapham, Meyer, Stenhoff
Opposed: None
Motion carried.

Feldmeier shared names of a few candidates from his district that he felt would be deserving of the 2013 Outstanding Conservationist Award. He will coordinate with staff to make a final choice and he or staff will contact the candidate to verify that they would be willing to accept the award.

Meiners recommended that the board move on paying registration costs to have Messner become a notary. Motion by Meyer, seconded by Feldmeier, to move forward with the recommendation.

Voting affirmative: Feldmeier, Lapham, Meyer, Stenhoff
Opposed: None
Motion carried.

Meiners shared that the Bear Creek Watershed Inspection/Tour will be held June 13, 2013. Motion by Meyer, seconded by Stenhoff, to share in half of the lunch expenses.

Voting affirmative: Feldmeier, Lapham, Meyer, Stenhoff
Opposed: None
Motion carried.

Meiners indicated he had been approached about the upcoming Houston County Auction on Wednesday, August 14th. If anyone knew of something that should be placed on the auction a list of items needs to be submitted by June 24th.

MINUTES OF THE ROOT RIVER SWCD
July 10, 2013

The Root River Soil and Water Conservation District Board of Supervisors met on June 12, 2013 at the Ag Service Center in Caledonia, Minnesota for its regular meeting. Chair Becker called the meeting to order at 8:33 a.m.

**Members Present:**
Tony Becker
Matt Feldmeier
Loren Lapham
Doug Meyer
Roger Stenhoff

**Members Absent:**

**Others:**
Janice Messner, Rich Stempel, Dave Walter – SWCD Staff; Gary Larson – NRCS Staff; Jason Rochester – JPB Staff; Machelle Bulman – NRCS Earth Team Volunteer.

Those present took part in the Pledge of Allegiance.

**Minutes:** Chair Becker called for any additions or corrections to the minutes from the June 12, 2013 board meeting. Hearing none minutes were approved as presented.

**Employee Time Records & Supervisor Per Diems:** Motion by Meyer, seconded by Lapham, to approve the Employee Time Records and Supervisor Per Diems.
Voting affirmative: Feldmeier, Lapham, Meyer, Stenhoff
Opposed: None
Motion carried.

**Treasurer’s Monthly Report:** Stenhoff recommended that the June 2013 report be placed on file for audit at this time.

**Agency Reports:**

**Gary Larson, NRCS District Conservationist Report**
- Reported to the SWCD Board that the County has entered into an agreement with NRCS to be the local sponsors for the EWP application. Four sites were submitted. One of the sites has been classed as a contingency site and will likely be funded. Three other sites were classed as non-contingent and are on a waiting list.
- Shared with the SWCD Board the Ultima position has been filled. Bob Joachim is filling this position. He has recently toured a portion of the Bee/Duck Creek watershed with Dan Griffin and the other portion with Loren Lapham.
- Indicated to the SWCD Board the Conservation Stewardship Program sign up period is closed. Six applications are going through the scoring and ranking process which has a Friday, July 12th deadline.
- Shared with the SWCD Board Conservation Reserve Program (CRP) sign-up has several re-enrollments and site visits are being performed to inspect the practices.
- Reported to the SWCD Board that he has conducted 38 compliance reviews in Fillmore County within six days during the past month.
Dave Walter for Ron Meiners, SWCD District Report

- Third quarter goals were prepared and share with staff.
- Requested the permission of the board to visit and share information with the Dodge County SWCD staff and board about our transitional period when Tuck, then District Manager, retired. This would include our experience with Brian Watson that provided professional services. Permission was granted. Meiners will be meeting with them on July 18th.
- With the flooding FEMA was in the county on Tuesday, July 9th meeting and assessing damage sustained in Houston County. Main focus was infrastructure.

Stenhoff shared he had seen in the Rochester Post Bulletin that Houston County landowners that sustained flood damage are to provide their local SWCD with cost estimates of the damage.

- Shared with the SWCD Board that a free MASWCD/U of M webinar is being offered on August 2nd. The webinar is titled, “Emerging Conservation Practice & Challenges for Agricultural Drainage.” The targeted audience is MN SWCD locally elected board members and resource professionals.

Old Business

Walter shared an update on the Hokah Wetland Bank project. Tree planting was completed before the June flooding and spraying will need to be delayed till fall. Other components of the project are on hold due to the flooding.

Stemper shared an update on the Hayable Buffer contracts. Two of the three projects are completed. The completed Hallum site sustained flood damage. Approximately 25% of the seeding was lost. The Gray site had been too wet prior to the flooding and obtained extensive flooding. The hope is to have that site seeded in August.

Walter reported that the Conservation Partners Grant final proposal has been submitted and look to hear in August if we will receive this grant. It is a two year grant and would be effective October 2013.

Larson shared results of the annual Bear Creek Watershed inspection tour. Some maintenance is needed and shared that information. He stated that the Conservation Corp of MN may be able to help with the repair of rills etc.

New Business

Motion by Meyer, seconded by Stenhoff, approving the Nitrate Monitoring Network Contract between Houston County/Root River SWCD and SE MN Water Resource Board.
Voting affirmative: Feldmeier, Lapham, Meyer, Stenhoff
Opposed: None
Motion carried.

Motion by Stenhoff, seconded by Feldmeier, approving a continuing education one day seminar for Messner at the rate of $99.
Voting affirmative: Feldmeier, Lapham, Meyer, Stenhoff
Opposed: None
Motion carried.

Motion by Feldmeier, seconded by Lapham, approving registration fee for Stenhoff to attend Prairie on the Edge seminar July 18 – 20th in Decorah, IA.
Voting affirmative: Feldmeier, Lapham, Meyer, Stenhoff
Opposed: None
Motion carried.

Walter shared with the Board that Lorayne Vix declined to accept the Conservationist of the Year Award due to publicity. Eugene and Carol Laschenksi were pleased to accept award. Motion by Feldmeier, seconded by Meyer, approving Eugene and Carol Laschenksi as the 2013 Conservationist of the Year for Houston County and authorizing funds to Glenn Kinneberg for fuel to do fly over for an aerial photo.
Voting affirmative: Feldmeier, Lapham, Meyer, Stenhoff
Opposed: None
Motion carried.

Walter shared that a meeting is set for 1 pm July 11th to discuss funding possibilities for June flood relief. Those invited to attend include Emergency Management, Kurt Kuhlers; Houston County DOT, Brian Pogodzinski; FSA, Kevin Elton; NRCS, Gary Larson; DNR Forestry, Val Green; Planning & Zoning, Rick Fran; Houston County Commissioners and Root River SWCD, Ron Meiners and Janice Messner.

Local update letters to the governor, senate and congressional representatives on behalf of the board have been prepared requesting assistance for the June flood event. It was mutually agreed to send these letters on the board’s behalf.

July 10, 2013 Minutes

Jason Rochester reported on the damage that the Winnebago watershed structures had sustained from the June flooding. He indicated on the Staggemeyer site 1 structure there was a possibility of a design issue which increased the amount of damage on this site. He stated that solutions and cost estimates for repair were currently being worked on. Walter shared that Meiners has sent a letter and spoke with the BWSR state engineer, Al Kean, requesting state funding for minor repair and debris removal funds for the maintenance of the Winnebago sites caused by the flooding.

Stemper gave an update on each of the Crooked Creek watershed structures after the June flooding. All of the structures were full and worked well. It was the most water they have ever held. He stated maintenance and debris removal work is needed. The R-4 structure is leaking underground water presumably from the pool area. Further investigation of a possible sinkhole, which may be the cause of leakage downstream of the structure, will be checked into.

Walter shared that the county did approve being the local sponsors for the EWP agreement. The Root River SWCD is a co-sponsor. The county is responsible for 25% of the funding and NRCS 75% on approved projects.

Motion carried.

**Feedlot**

Walter reported he has been working with two landowners, in Black Hammer and Winnebago townships, to install a roof over an open lot in each location.

**Watershed Updates**

**Bee/Duck Creek** – It was reported on July 1, 2013 Bob Joachim started in the position through NRCS for technical work for the Bee/Duck Creek initiative.

**Crooked Creek** – Stemper shared that the watershed committee will need to tour the Crooked Creek structures and decide on maintenance of those structures following the June flooding.

An Equal Opportunity Employer
MASWCD
Becker shared that he attended the SE Area Resolution meeting, June 20, 2013. Our resolution was passed with a few minor changes.

Information on the SWCD Governance training course was shared. Feldmeier was interested in attending but opted to wait for a future opportunity due to possible upcoming expenses that may be incurred with the state convention.

It was shared that Becker and Messner will be representing the SWCD on the MASWCD 2013 Host Committee.

Water Plan
Walter reported that the 5 Year Update draft is currently being reviewed by BWSR and are waiting for comment.

Staff Report
Walter reported he is registered for the Wetland Delineation class being held September. During the past month prior to June flood he had been out to four or five WCA sites.

Committee Reports

FINANCIAL COMMITTEE: Meyer & Lapham – No report.

PERSONNEL COMMITTEE: Feldmeier & Stenhoff
Feldmeier reported their committee met following the June 12th board meeting. He shared that job descriptions had been rewritten for Stemper and Walter due to a shift in program responsibilities.

Feldmeier also brought a recommendation to the board increasing the hourly wage for WCA duties which Walter is currently covering. The recommendation was to increase the hourly wage $1.25 per hour effective immediately and an additional $0.75 per hour after WCA training is completed in September. Discussion was started. During discussion Messner asked if they would prefer employees to dismiss themselves and it was agreed to do so by all present. Employees voluntarily dismissed themselves from the meeting. Upon employees rejoining the meeting a Motion by Meyer, seconded by Feldmeier, to table the recommendation to next month was made.
Voting affirmative: Feldmeier, Lapham, Meyer, Stenhoff
Opposed: None
Motion carried.

RC & D: Stenhoff – No report.

JOINT POWERS FINANCE COMMITTEE: Feldmeier – No report.

MINUTES OF THE ROOT RIVER SWCD
August 14, 2013

The Root River Soil and Water Conservation District Board of Supervisors met on August 14, 2013 at the Ag Service Center in Caledonia, Minnesota for its regular meeting. Chair Becker called the meeting to order at 8:30 a.m.

Members Present:
Tony Becker
Matt Feldmeier
Loren Lapham
Doug Meyer
Roger Stenhoff

Members Absent:

Others:
Janice Messner, Dave Walter – SWCD Staff; Gary Larson – NRCS Staff.

Those present took part in the Pledge of Allegiance.

Minutes: Chair Becker called for any additions or corrections to the minutes from the July 10, 2013 board meeting. Hearing none minutes were approved as presented.

Employee Time Records: Motion by Meyer, seconded by Lapham, to approve the Employee Time Records.
Voting affirmative: Feldmeier, Lapham, Meyer, Stenhoff
Opposed: None
Motion carried.

Treasurer’s Monthly Report: Stenhoff recommended that the July 2013 report be placed on file for audit at this time.

Agency Reports:
Gary Larson, NRCS District Conservationist Report
- Reported to the SWCD Board that there are approximately 50 new CRP enrollments and several continuous re-enrollments. With the re-enrollments checks and fixes are being done.
- Shared with the SWCD Board that 12 CSP applications had been received during the sign-up period. Three will likely be approved.
- Gave details to the SWCD Board on the Alameda EWP Exigency site – project engineers are Pete Fryer and Jason Rochester, JPB; project construction contractors Zenke, Inc. with subcontractor Tim Davison. Currently waiting for Notice to Proceed. EWP construction funding through NRCS will be up to $115,000.
- Conveyed to the SWCD Board Bob Joachim, the technician that filled the Ultima position working with the Bee/Duck Creek watershed, has been visiting landowners and is getting projects lined up.
- Shared with the SWCD Board that most of the EQIP applications have been approved except those that were ranked low priority.
- Reported to the SWCD Board that landowners/operators are re-installing CRP strips.
- Set the EQIP Local Work Group meeting for Thursday, September 5, 2013 at 10 a.m.

Bob Joachim introduced himself to the Board and gave a brief update.

An Equal Opportunity Employer
Ron Meiners, SWCD District Report

- Shared a letter and Certificate of Service that was sent to George Hammell for 17 years of service as a volunteer for the Rain Monitoring Program through the State Climatology Office. George’s successor is his son, Edward Hammell.
- Communicated to the SWCD Board a letter of concern from George Griffin regarding direct run-off to his pond which was enhanced by a BMP that was installed on an adjacent landowner’s property. Meiners shared that a site visit was done and the concern has been addressed.
- Stated a letter of action was received from the chair of the Houston County Board of Commissioners regarding concerns from Mike Kelley. Meiners stated that this issue has been cleared up.
- Reported to the SWCD Board that he met with the Dodge County SWCD staff and board and shared information, knowledge gained and ideas that resulted from our transitional period when Tuck, then District Manager, retired. This included our experience with Brian Watson who provided us with professional services. Don Buckout was also in attendance of the July 18th meeting with them and shared grant options for funding this type of service. It was highly recommended that this district should seek/employ a district manager and continue offering services to their county landowners.

Old Business

Stenhoff shared knowledge he gained through his attendance to the Prairie on the Edge conference held July 18 – 20th on the subject of prairie grasses and how they can serve in a manner for stream bank repair. Three different tours were held as part of the conference.

The District’s 2013 Conservationist of the Year has been selected from Feldemeier’s district. Eugene & Carol Laschenski have accepted the recognition.

The Cedar Tree Revetment project had progressed on schedule during the past month. At this time the crew has been called to Alaska and will be returning at some point in early October to complete the revetment project.

The District Board had a discussion pertaining to the Joel & Jennifer Alameida EWP project. Ron Meiners is acting as liaison for Houston County and presented the board with a variety of information about this project.

It was noted that the district board retains the right to review each request for assistance from the Root River SWCD on a case by case bases and by no means suggests that precedents is being set through their decision process. Board (Motion by Lapham, seconded by Stenhoff) approved applying 50% of TA funds received towards the eligible construction costs of this project. These funds will be forward to Houston County to apply to the project costs, 25% of TA funds received towards JPB for engineering services and the remaining 25% of TA funds received towards district TA costs.

Voting affirmative: Feldemeier, Lapham, Meyer, Stenhoff
Opposed: None
Motion carried.

New Business

Motion by Stenhoff, seconded by Meyer, approving costs for staff and board supervisors to attend the Fall Area 7 Supervisor and Employee Meeting on Monday, September 16th at Eagle Bluff Learning Center.

Voting affirmative: Feldemeier, Lapham, Meyer, Stenhoff
Opposed: None
Motion carried.

Meiners presented and reviewed a six month budget update.

Motion by Feldemeier, seconded by Meyer, approving the following for the Root River Fall Cover Crop Program:
Seeding date = October 1, 2013; no limit on acreage and an incentive payment at the rate of $15/acre.

Voting affirmative: Feldemeier, Lapham, Meyer, Stenhoff

Members Absent:
Tony Becker

Others:
Janice Messner, Ron Meiners, Dave Walter – SWCD Staff; Gary Larson – NRCS Staff. Glenn Kinneberg.

Those present took part in the Pledge of Allegiance.

Minutes: Vice-Chair Meyer called for any additions or corrections to the minutes from the August 14, 2013 board meeting. Hearing none minutes were approved as presented.

Employee Time Records: Motion by Feldmeier, seconded by Stenhoff, to approve the Employee Time Records. Voting affirmative: Feldmeier, Lapham, Stenhoff Opposed: None Motion carried.

Treasurer’s Monthly Report:
Tabled placing the August 2013 report on file. County information was not available.

Meiners informed a Management Representation letter for the 2012 Audit had been received. He and Messner reviewed the letter and did not find anything out of place and recommended board approval of acceptance. Motion by Stenhoff, seconded by Lapham, approving the Management Representation letter for the 2012 Audit. Voting affirmative: Feldmeier, Lapham, Stenhoff Opposed: None Motion carried.

Staff Report
Walter informed the Board of a current WCA violation on Kreibich Rd. Sloughing is causing a wetland. Restoration plan will be presented to the landowner in a few weeks.

Agency Reports:

Ron Meiners, SWCD District Report
- Communicated to the SWCD Board a component of the Affordable Care Act that is in place requires informative health care information be distributed to employees. Employees have received this information.

Gary Larson, NRCS District Conservationist Report
- Shared with the SWCD Board that CRP conservation plan workload is wrapping up.

An Equal Opportunity Employer
September 11, 2013 Minutes

- Reported to the SWCD Board that construction has taken place for three EQIP contracts. A grade stabilization structure for Toby Burreichter, sinkhole repair for Peter Rosendahl and a grade stabilization structure for Kyle Hutchinson.
- Indicated to the SWCD Board that he has been working on fiscal year-end reports that are due October 1, 2013.

**Feedlot**

*Walter* shared that the pouring of concrete will start next week on the Schulte Farms project.

Walter reported he has been working with a landowner that continues to be out of compliance. The landowner has hired a lawyer who, to Walter’s understanding, will act as a mediator.

**Old Business**

Meiners shared he had obtained an unofficial approval of our NFWF Grant application. This grant will help implement technical assistance on EQIP projects. The grant will cover a period of two and will be in the amount of $125,000. Official approval will be received in the near future.

Meiners attended a budget meeting with the county commissioners on a preliminary proposed 2014 budget for the SWCD. Meiners shared during the meeting he was made aware that budget increases are generally a 3% increase. The preliminary budget for 2014 is a 6% increase. Meiners stated he and Messner will continue to work on the budget as he becomes aware of funding amounts on grants for the upcoming year. He will have a final budget for the board to approve at the December meeting. Once the budget is approved by the board it will be presented to the county.

**New Business**

**Motion** by Stenhoff, seconded by Lapham, to approve the FY14 SWCD Program and Operations Grant Agreement, as well as request the FY14 State Cost Share Base Grant funds be used for technical assistance and authorizing the board chair to sign the necessary request when it becomes available.

Voting affirmative: Feldmeier, Lapham, Stenhoff  
Opposed: None  
Motion carried.

6th Grade Environmental Day is set for October 1st with October 2nd as the rain date. It will be held at Camp Winnebago.

**Motion** by Lapham, seconded by Feldmeier, approving lunch expenses for presenters and staff.

Voting affirmative: Feldmeier, Lapham, Stenhoff  
Opposed: None  
Motion carried.

**State Cost Share Program**

Meiners shared that State Cost Share Feedlot funds in the amount of $32,000 were approved for a manure pit project for Mark Gerard. Gerard has applied for additional funding through other programs to assist with the cost of the project.

**Watershed Updates**

*Bee/Duck Creek* – Meiners reported Joachim has been taking EQIP applications to install waterways. An aerial seeding application has been completed and rain is much needed.

*Crooked Creek* – Meiners shared that the plan revision is still in process and has not heard of recent action.

**MASWCD**

The Fall Area VII Supervisor and Employee Meeting will be held Monday, September 16th at Eagle Bluff Learning Center, Lanesboro, MN. At this time Lapham, Stenhoff and Meyer will be attending with the possibility of Meiners joining them. They will be leaving the SWCD office at 8 a.m. and will pick-up in Houston at 8:15.

Meiners shared that MASWCD is hosting a Conservation Agriculture Roundtable on Tuesday, September 17th from 11 am – 4 pm at the Lakeville Holiday Inn. This is open for supervisors to attend.

An Equal Opportunity Employer
Water Plan
Meiners reported that the public hearing is set for September 24, 2013 at 10 a.m. to welcome further review and comments to the 5 Year Update draft. Justin Zmyewski will chair the hearing.

Staff Report
Meiners informed the Board that he is over his vacation limit due to workload needs. He stated that he will be using vacation leave next week with the hopes of reducing his vacation hours to the allowed maximum.

Committee Reports
FINANCIAL COMMITTEE: Meyer & Lapham – Meiners will be meeting with the committee to review wages and 2014 budget.

PERSONNEL COMMITTEE: Feldmeier & Stenhoff – No report.

RC & D: Stenhoff – No meeting was held.

JOINT POWERS FINANCE COMMITTEE: Feldmeier – No report.

Feldmeier inquired about the Alameda project. Meiners stated that the project went well. Technical assistance funds were discussed. It was mutually agreed upon to distribute technical assistance funds received in the following manner. 50% of the funds will be given to Alameidas and the remaining 50% will be given to JPB. This agreement supersedes the approved motion from the September 11, 2013 board meeting.

***Accounts Payable: ***
Motion by Lapham, seconded by Stenhoff, approving the Accounts Payable for September 2013.

MINUTES OF THE ROOT RIVER SWCD
October 9, 2013

The Root River Soil and Water Conservation District Board of Supervisors met on October 9, 2013 at the Ag Service Center in Caledonia, Minnesota for its regular meeting. Vice-Chair Meyer called the meeting to order at 8:36 a.m.

Members Present:
Matt Feldmeier
Loren Lapham
Doug Meyer
Roger Stenhoff

Members Absent:
Tony Becker

Others:
Janice Messner, Ron Meiners, Rich Stemper and Dave Walter – SWCD Staff.

Those present took part in the Pledge of Allegiance.

Minutes: Vice-Chair Meyer called for any additions or corrections to the minutes from the September 11, 2013 board meeting. Hearing none minutes were approved as presented.

Employee Time Records & Supervisor Per Diem: Motion by Lapham, seconded by Feldmeier, to approve the Employee Time Records and Supervisor Per Diems. Voting affirmative: Feldmeier, Lapham, Stenhoff

Opposed: None

Motion carried.

Treasurer’s Monthly Report: Stenhoff recommended that the August and September 2013 reports be placed on file for audit at this time. Voting affirmative: Feldmeier, Lapham, Stenhoff

Opposed: None

Motion carried.

Agency Reports:
Gary Larson, NRCS District Conservationist Report – No report.

Ron Meiners, SWCD District Report

- Shared with the SWCD Board news articles that were brought in by Joe McManimon and a thank you from the Caledonia Argus.
- Indicated to the SWCD Board that government shutdown has eliminated the use of the copy machine/scanner and are not working on federally funded projects.
- Reported to the SWCD Board that the owner of Scheck Mill is requesting help to repair flood damages incurred during the June 2013 flood event. This is a historical site. He is asking for direction of grant or cost share opportunities to get the turbine working efficiently as it was prior to flooding. Stemper indicated he has been on-site and felt that EQIP funding may be a possibility for conservation work that will be needed on the property (outside the mill building).
- Informed the SWCD Board that third quarter goals have been reviewed with each staff member and fourth quarter goals have been set.

An Equal Opportunity Employer
Reported to the SWCD Board that the Root River Stream bank Revetment project started again this week.

Shared with the SWCD Board that the Staggeymeyer site #2 project site showing was held in the office on Monday, October 7th. Bids for the project are due on Thursday, October 10th by 4:30 p.m. and bid opening is scheduled for Friday, October 11th at 9:00 a.m. It is hopeful that construction will begin on October 21st or 22nd. Meiners stated that he would like to have a commissioner and supervisor tour of the site during construction after a commissioners meeting.

**Old Business**

Messner reported on the 6th Grade Environmental Day that was held October 1st. There were 233 Houston County students in attendance. The Board mutually agreed to make a donation to Camp Winnebago, for the use of their facilities, in the amount of $100.00 of which half of this amount would be matched by Water Plan funds.

Meiners shared that we have not received official word on an approval on our NFWF Grant application. This grant will help implement technical assistance on EQIP projects. The grant will cover a period of two and will be in the amount of $125,000. Unofficial approval was received.

Meiners stated that a grant opportunity was brought to his attention and we have applied for the Fishers & Farmers Partnership Grant. The grant is funded through a private organization for stream bank revetment. This grant would give us the opportunity to have additional stream bank work done on the Riceford Creek near the current project being funded through The Nature Conservancy. We applied for approximately $10,000.

Arrangements are currently being worked out to have maintenance work performed on the Bear Creek projects.

**New Business**

**Motion** by Lapham, seconded by Feldmeier, to approve below listed Cover Crop application acreages with the exception of Mike Ingvalson, Jeff Kruckow and Schulte Farms. These three applications are each being approved with a 75 acre cap.

Voting affirmative: Feldmeier, Lapham, Stenhoff

Opposed: None

Motion carried.

**Motion** by Feldmeier, seconded by Stenhoff, approving the purchase of the award for the Conservationist of the Year.

Voting affirmative: Feldmeier, Lapham, Stenhoff

Opposed: None

Motion carried.

An appreciation dinner was discussed for the Conservationist of the Year. Discussion on location, price and date were held. It was mutually agreed upon that the district would cover the meal of the recipient and their family while supervisors, staff and significant other would cover the cost of their own meal.

**State Cost Share Program**

**Motion** by Lapham, seconded by Feldmeier, approving the 2011 Cost Share Base Grant Final Financial Report.

Voting affirmative: Feldmeier, Lapham, Stenhoff

Opposed: None

Motion carried.

Feedlot
Walter reported that there has not been any further action with the non-compliant landowner that had hired a lawyer. The same landowner is in violation on their septic system and needs to bring that into compliance this month.

Walter informed the Board of application requirements for State Feedlot Cost Share projects. One requirement is the project must be at least $30,000 to be considered for funding. A project estimate for Bob Ellenz project, to bring it in to compliance, is less than the required amount. This is being noted in his file and no further action can be done at this time.
A project for another landowner had too low of a ranking priority for the feedlot cost share funds and thus will try to obtain funding through EQIP.

Walter shared that concrete has been poured on the Schulte Farms project.

Watershed Updates
Bee/Duck Creek – No report.

Crooked Creek – Stemper shared the committee is meeting on October 11, 2013.
- They will address setting their levy.
- Review an opportunity to be involved with a solution to a flood damaged road from the June 2013 flood event. City of Caledonia is also part of the project and is seeking financial assistance from the committee to resolve the issue.
- On the Crooked Creek Plan they will be relooking at project priorities and pairing them down. Stemper indicated the final draft should be submitted by the end of fall or early winter.

MASWCD
Lapham gave a brief update from the Fall Area VII Supervisor and Employee Meeting held Monday, September 16th. Main topic was a “Total Watershed Plan” approach instead of an individual county approach.

Motion by Lapham, seconded by Stenhoff, approving $200.00 be set aside for the Area 7 MASWCD calendars.
Voting affirmative: Feldmeier, Lapham, Stenhoff  Opposed: None  Motion carried.

Meiners made mention to the By-Laws of the SE MN MASWCD that were distributed.

Resolution questions where addressed and ballots collected.

Motion by Feldmeier, seconded by Lapham, approving costs for supervisors and staff to attend the Annual Convention (registration, meals, room) and costs for Conservationist of the Year covering either their mileage and meal or room and meal.
Voting affirmative: Feldmeier, Lapham, Stenhoff  Opposed: None  Motion carried.

Meiners made mention to the Business Meeting Packet that was distributed for the MASWCD Annual Meeting.

Water Plan
Meiners reported that the public hearing was held on September 24, 2013 to welcome public comments to the 5 Year Update draft. There were no comments that day. On October 3rd at the monthly Water Plan meeting three prior comments were addressed and action was taken. The draft is now submitted for state review.

Staff Report
Walter reported he had attended the five day WCA training. Stated it was a good training and made mention that the Area Wetland Specialist is willing to help here in the county.

Walter also updated the Board on the Hokah wetland violation. Action is needed by the landowner in October,
October 9, 2013 Minutes

Walter reported he also followed up on a call regarding concrete being dumped in a wetland area in Money Creek Township. Upon visiting the site it was determined that it was not a wetland site but is located in a flood plain. The complaint was redirected to the county zoning office.

Messner reported on the Domestic Well Network program’s recent action. 36 sample collection requests went out and 32 were returned. Samples were taken to MPCA who has forwarded them to the lab. Currently, waiting for the results.

Committee Reports

FINANCIAL COMMITTEE: Meyer & Lapham – No report.

PERSONNEL COMMITTEE: Feldmeier & Stenhoff - No report. Meiners indicated they should meet after the first of the new year to start preparation for his retirement and replacement.

RC & D: Stenhoff – Stenhoff reported he and Glenn Kinneberg had attended the meeting on September 30th. A field day tour of a native grass planting near Fugel’s Mill was held. Other topics during the meeting included conversation on various resources such as wind and solar.

Meiners stated that he will be meeting with the RC & D director to discuss the possibility of funding for the Scheck Mill.

JOINT POWERS FINANCE COMMITTEE: Feldmeier – No report.

Accounts Payable:

Motion by Feldmeier, seconded by Lapham, approving the Accounts Payable for October 2013.

MINUTES OF THE ROOT RIVER SWCD
November 13, 2013

The Root River Soil and Water Conservation District Board of Supervisors met on November 13, 2013 at the Ag Service Center in Caledonia, Minnesota for its regular meeting. Chair Becker called the meeting to order at 8:30 a.m.

Members Present:  Members Absent:
Tony Becker
Matt Feldmeier
Loren Lapham
Doug Meyer
Roger Stenhoff

Others:
Janice Messner, Ron Meiners and Rich Stemper – SWCD Staff; Lance Klessig – NRCS Staff; Steve Lawler – BWSR.

Those present took part in the Pledge of Allegiance.

Minutes:  Chair Becker called for any additions or corrections to the minutes from the October 9, 2013 board meeting. Hearing none minutes were approved as presented.

Employee Time Records:  Motion by Stenhoff, seconded by Meyer, to approve the Employee Time Records.
Voting affirmative: Feldmeier, Lapham, Stenhoff, Meyer  Opposed: None  Motion carried.

Treasurer’s Monthly Report:  Stenhoff recommended that the October 2013 report be placed on file for audit at this time.

Agency Reports:
Lance Klessig, NRCS Report
- Shared with the SWCD Board that projects are wrapping up nicely even with the short construction season due to late planting and harvesting, wet conditions and now snow. Several thousand feet of terraces have been installed (Palen, Tim McCormick and Todd Schroeder). One grade stabilization structure has been installed for Logan Meyer and three additional structures are in process. Terrace is being installed at Jeff Kathan Berry Farm near La Crescent.
- Indicated to the SWCD Board that Bob Joachim continues to work in the Waterloo Creek and Bee/Duck Creek areas. He has generated much interest in cost sharable waterways for 2014 and a few structures or structure rehabs.
- Stated to the SWCD Board that CSP payments are being made for the end of year.
- Informed the SWCD Board that there will not be any new FSA programs until a new budget is reached thus affecting CRP signups and other programs.
- Reported to the SWCD Board EQIP sign-up is always open and money was secured from the previous farm bills. December 20th is the first 2014 deadline.
- Shared with the SWCD Board that several good projects are planned or are possibilities such as a large waterway on the Dana Meiners farm and Charlie Wiegreffe waterway with Hendel.

An Equal Opportunity Employer
Ron Meiners, SWCD District Report

- Circulated the MCIT Annual Report and shared with the SWCD Board that the MCIT 2013 Annual Meeting is scheduled for Monday, December 9th and are welcome to attend.
- Shared a thank you letter with the SWCD Board from Camp Winnebago.
- Reported to the SWCD Board that he and Bob Scanlan responded to a call on Friday evening, November 8th on Rice Creek regarding gray creek water called in by Walt Nigon.
- Informed the SWCD Board that CRP buffer letters were sent out to 20 landowners in the Root River watershed that were affected by the June flood event.
- Indicated to the SWCD Board that Steve Lawler, BWSR, had recommended that the Comprehensive Water Plan Implementation Schedule have a column added indicating project completion with date. Meiners also made mention that one committee member has not been in attendance for some time and other representatives from his area have recently joined the committee.
- Brought before the SWCD Board a request for a possible volunteer. Meiners shared information that he was given about the individual. Meiners requested that it be up to the board’s discretion of bringing him on as a volunteer. Concern about staff also being comfortable was shared. Lawler suggested checking with MCIT regarding liability if a volunteer is brought on.

Steve Lawler, BWSR

- Shared with the Board that the 5 year Water Plan Update was approved by the BWSR sub-committee and will be presented for approval at the December BWSR meeting.
- Spoke to the Board about having a strong grant writing person accessible for the SWCD to be able to acquire grants on the district’s behalf. He shared that Meiners along with other district managers had expressed a possible interest of combining together and employing or contracting with one specific grant writer to serve multiple SWCD’s in the tri-county area.
- Stressed the importance of detailed reporting and having the technicians on board with this.

Old Business

Motion by Meyer, seconded by Lapham approving the NFWF grant agreement between the Root River SWCD and NFWF.

Discussion about the importance of the match for the grant was discussed as well as the detailed timesheet reporting that will be required. The Board requested monthly updates on the matching hours for the grant.

Voting affirmative: Feldmeier, Lapham, Stenhoff, Meyer

Opposed: None

Motion carried.

Meiners stated that our grant application for the Fishers & Farmers Partnership Grant was not awarded, but another organization was very interested in the possibility of funding the proposed cedar tree revetment project through the MN Corn Growers. Meiners shared that we have submitted our application for the MN Corn Growers grant opportunity.

Meiners updated the Board on the Mike Staggemeyer Site 2 project. Currently, the project is on hold due to soil conditions. The SWCD requested an extension on the project contract from Mary Kells Peterson, BWSR. The extension would allow the Board the opportunity to extend the contract with the landowner beyond the maximum two year window for completion. This request was granted with the extension expiring on July 31, 2014. This now allows the Board the opportunity to amend an amendment request if presented to them. Meiners shared that an amendment request for extension has been signed by the landowner and is awaiting the engineer’s signature. He stated that this should be ready for the board’s consideration next month.

The Conservationist of the Year Appreciation Dinner will be held Wednesday, November 20th at 6:15 pm at Good Times.

Motion by Meyer, seconded by Feldmeier, declining the opportunity to pay dues to be members of the NACD for 2013.

Voting affirmative: Feldmeier, Lapham, Stenhoff, Meyer

Opposed: None

Motion carried.

Motion by Lapham, seconded by Stenhoff, denying a seeding date extension request to Joe Sullivan for the fall cover crop incentive program funded through The Nature Conservancy.
